

ANDRIANA MARIA KORASIDI

Instructional Designer & Learning Architect | EdTech Specialist | AI in Education

Athens, 15561 ♦ +30 697 689 6067 ♦ andrianakorasaki@gmail.com ♦ www.linkedin.com/in/andriana-korasidi-8a7624104/

PROFESSIONAL SUMMARY

Innovative learning designer with expertise in AI-driven educational innovation, large language models (LLMs), and inclusive curriculum design across adolescent and adult education. Recognized for leading transformative learning initiatives that merge research-based pedagogy with emerging technologies to improve engagement, accessibility, and learner success. Skilled in learning analytics, adaptive platforms, digital accessibility, and curriculum mapping, with a strong focus on lifelong and equitable learning. Award-winning professional known for integrating educational theory, technology, and design thinking to create high-impact, learner-centered experiences that promote growth, participation, and inclusion.

WORK EXPERIENCE

GenAI Instructional Designer & Trainer | *100mentors* Athens, On-site Feb 2026 – Present

- Design and deliver workflow-based learning experiences (courses, workshops, modules) that help professionals apply Generative AI in real business contexts.
- Translate complex GenAI and LLM concepts into clear, practical content for non-technical audiences.
- Deliver interactive live workshops combining explanation, experimentation, and hands-on practice with GenAI tools.
- Analyse learner behaviour, product usage patterns, and feedback to iterate and improve learning products continuously.
- Promote responsible, ethical, and human-centred GenAI adoption through thoughtfully designed learning experiences.

Learning Designer — VET & Lifelong Learning (Contract) | *Eugenides Foundation* Athens, Contract 2025 – Present

- Design VET curricula and modular training aligned with EQF, ECVET, and EOPPEP standards.
- Develop blended and hybrid courses integrating XR, Moodle, and microlearning for technical fields.
- Collaborate with experts and industry partners across maritime, manufacturing, and energy sectors.
- Contribute to microcredential frameworks for upskilling and reskilling initiatives.

Instructional Designer & Curriculum Developer | *Institute of Educational Policy* Athens Jun 2024 – Present

- Designed innovative curricula and educational content using AI tools, modern technologies, and EdTech platforms.
- Created Open Educational Resources (OERs) and educational modules for national deployment.
- Utilised Articulate 360 and Moodle to build and enhance engaging learning experiences.

Freelance Learning Expert | *Various EU & US Organisations* International Sep 2024 – Present

- Designed curricula, learning assets, and training frameworks for EU, Erasmus+, and US university clients.
- Advised on EdTech integration and inclusive instructional design across diverse cultural and institutional contexts.
- Led instructional design of creative workshops supporting migrant learners' transition to employment.

Research Fellow / Scientist - European Projects | *AW Research, Sense Data* Thessaly / Athens Apr 2019 – Present

- Contributed to European-funded projects (Erasmus+, Horizon Europe) -research proposals, timelines, and interdisciplinary collaboration.
- Co-designed Erasmus+ and Latsis Foundation projects on inclusion and employability, including STAY and Faros Elpidas initiatives.
- Developed gamified and digital storytelling curricula for young migrants and unaccompanied minors.
- Conducted literature reviews to identify knowledge gaps and inform future studies.

Instructor, Applied Linguistics | *University of Massachusetts (UMass Boston)* Boston, USA Jun 2024 – Aug 2024

- Taught applied linguistics to graduate students, designed course syllabi and engaging lesson plans.
- Created interactive activities for summer semester courses.

Educator & Project Coordinator | *Doukas School* Athens Sep 2018 – Aug 2024

- Designed interactive lessons and organised outdoor educational activities for secondary students.
- School Newspaper Project Manager: awarded 1st and 2nd prizes at National Competitions (2021, 2023).
- Supervised student projects and competitions, earning multiple distinctions.

High School Teacher / Language Instructor | *Various Organisations* Athens Sep 2011 – Aug 2018

- Planned, developed, and executed lessons aligned with high school curriculum standards.
- Prepared students for University Entrance Exams; established positive, communicative classroom environments.

EDUCATION

Master of Arts - Learning Design & Technology | *The American College of Greece (ACG)* Athens Sep 2024 – Present
Design Thinking, Online Teaching, Learning Analytics, Multimedia, Managing Distance Education. Merit Scholarship recipient.

PhD -Computational Linguistics | *National & Kapodistrian University of Athens (NKUA)* Athens Apr 2018 – Apr 2023
Automated text analysis, applied linguistics, discourse analysis, and content development. IKY Doctorate Scholarship for research excellence.

MSc -Computational Linguistics | *National Technical University of Athens (NTUA)* Athens Sep 2013 – Mar 2016
Computational stylistics, grammar formalisms, big data analysis, and AI tools for language learning.

Bachelor's Degree -Greek Philology | *National & Kapodistrian University of Athens (NKUA)* Athens Oct 2006 – Feb 2011
Greek culture, linguistics, and literary theory.

SKILLS & COMPETENCIES

GenAI & LLMs	Prompt engineering, LLM application design, GenAI tool facilitation, AI ethics in education, Claude, GPT-4, Gemini
Instructional Design	ADDIE, SAM, UDL, Backward Design, curriculum mapping, needs analysis, micro-credentials, OER development
EdTech Platforms	Articulate 360 (Storyline & Rise), Moodle, Camtasia, Figma, XR tools, digital storytelling platforms
Research & Analytics	Learning analytics, Python (basic), R (basic), computational stylometry, discourse analysis, qualitative & quantitative methods
Standards & Frameworks	EQF, ECVET, EOPPEP, Erasmus+ project management, Horizon Europe, IB Diploma curriculum
Soft Skills	Workshop facilitation, cross-cultural collaboration, public speaking, adaptive communication, design thinking, team leadership

LANGUAGES

Greek Native	English C2 (Proficient)
French C2 (Proficient)	German C1 (Advanced)
Spanish B1 (Intermediate)	

CERTIFICATES & PROFESSIONAL DEVELOPMENT

- **IB Diploma** Language & Literature A Workshop - University of Warwick, UK (2024)
- **MIE Expert** Certified Microsoft Innovative Educator Expert (2024)
- **MCE Educator** Microsoft Certified Educator (2021)
- **Digital Education** Certificate - NKUA (2023)
- **Key-Cert** Basic Plus (2006)

RESEARCH EXPERIENCE

- Research Scientist, Computational Stylometry Lab, NKUA — data analysis and innovative methods in applied linguistics (2016–2023).
- Short Term Scientific Mission (STSM), COST Action — Institute of Polish Language, Krakow, Poland: applied stylistics and computational analyses (Oct–Dec 2021).

AWARDS & SCHOLARSHIPS

- 1st Prize -Onassis Foundation Digital Game Competition (Rigas Charta Project)
- 2nd Prize -Onassis Foundation Digital Game Competition (Yianoulis Halepas 3D Game)
- Best Didactical Proposal - IAKE Conference 2021 (adolescent fake news literacy project)
- Merit Scholarship for MA Studies -The American College of Greece
- IKY Doctorate Scholarship -PhD research excellence
- Student Bursary Winner -IAFLL Conference, Porto (2022)
- Multiple national prizes in creative writing

INTERESTS

Creative writing (nationally awarded) · Travel photography · Game-based & gamified learning design
